INFRASTRUCTURE UPDATE

NEIGHBORHOOD SEWER REHABILITATION PROJECT: LOWER BLUE RIVER NORTH

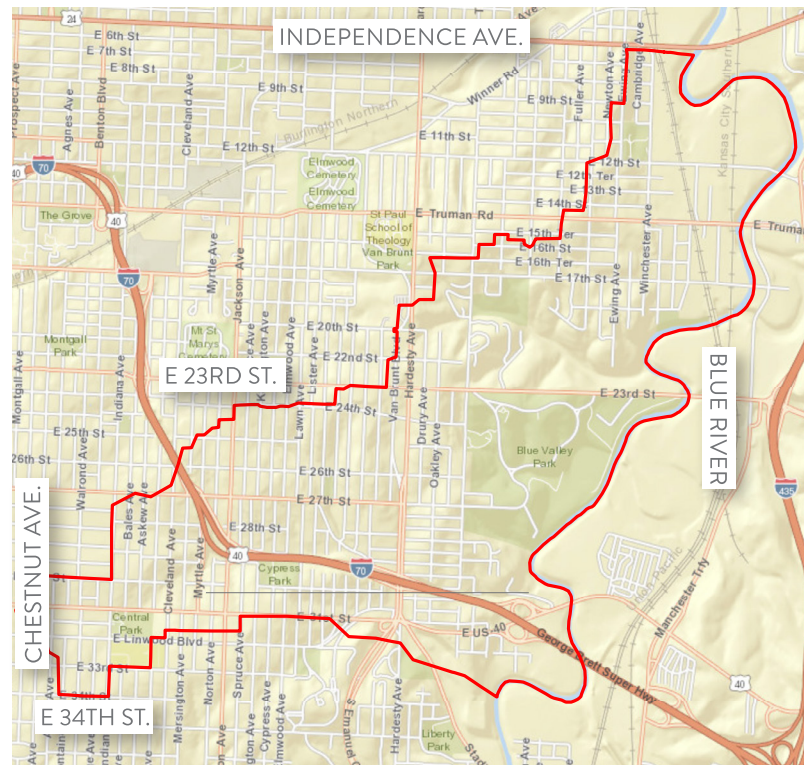

CONSTRUCTION SCHEDULED FOR: NOVEMBER 2019 – DECEMBER 2020

KC Water is working to construct important improvements to the wastewater system in your neighborhood. This project will rehabilitate sewer mains, service laterals and manholes in your area to like-new conditions. When complete, the project will restore capacity to the wastewater collection system, and lessen the frequency of sewer overflows and basement backups.

PROJECT AREA

THIS PROJECT IS LOCATED
WITHIN THE LOWER BLUE
RIVER BASIN. THE
BOUNDARIES ARE:

- NORTH: INDEPENDENCE AVENUE
- SOUTH: E 34TH STREET
- EAST: BLUE RIVER
- WEST: CHESTNUT AVENUE

NEIGHBORHOOD SEWER REHABILITATION: LOWER BLUE RIVER NORTH

WHAT'S BEING DONE?

This project includes the rehabilitation and/or replacement of:

- Approximately 48,000 linear feet of sewer mains
- Approximately 300 service laterals
- Approximately 141 manholes

WHAT'S THE TIMELINE?

Construction is anticipated to begin in November 2019 and end in December 2020.

WHAT CAN YOU EXPECT?

We appreciate your support and patience as we work to complete this important community project. Customers will be notified in advance of pending disruptions, which may include:

- Large equipment creating noise and dusty conditions
- Work taking place in easements
- Temporary lane closures
- Temporary street closures
- Temporary sewer service disruptions

WHO'S DOING THE WORK?

KC Water will be assisted by its program manager, Burns & McDonnell; its design professional, Jacobs Engineering Group; and its construction contractor, Kissick Construction.

WHAT'S THE CONTRACT AMOUNT?

The budget for construction is \$7,083,043.

WHAT'S THE "CONSENT DECREE"?

In 2010, the City of Kansas City, Missouri entered into a Consent Decree with the United States Environmental Protection Agency to reduce the volume and frequency of overflows from the City's sewer system. KC Water's Smart Sewer program is a 25-year plan to address this challenge. The Lower Blue River North Neighborhood Sewer Rehabilitation Project is one piece of the Smart Sewer program, and is required by the Consent Decree to be completed by December 31, 2021.
